COMMON PARENT QUESTIONS

How do I enroll with Smart?

It's easy, just visit us at enrollwithsmart.com. Simply provide a few details on how you would like to set up your account, and we'll do the rest. If you have any questions, contact us 24/7 at 888-868-8828.

When will I receive my invoices?

Smart sends a paper invoice approximately three weeks before each payment is due. If you want to Go Green, you can opt-in to our Green Invoicing program to receive invoices via email.

I have insufficient funds in my account?

We try to prevent insufficient fund issues by reminding you of the upcoming debit via email or text. Payments that fail due to insufficient funds will be billed an additional \$30 bank fee (non refundable).

Why do I not see the scholarship or aid reflected in my billing details?

Billing details including school fees and discounts come directly from the school. If there is a missing discount – we will research the disputed amount in question immediately – and coordinate with the school administrators.
