What is National Catholic Schools Week?

Since 1974, National Catholic Schools Week is the annual celebration of Catholic education in the United States. It starts the last Sunday in January and runs all week, which in 2019 is January 27 - February 2. The theme for National Catholic Schools Week 2019 is "Catholic Schools: Learn. Serve. Lead. Succeed." Cathedral School will be starting the week with the Pancake breakfast, Bishops Mass, Military Care kits, Quiz Bowl, new this year Mini Courses for the middle school and we wrap up the week with the pasta extravaganza. Through these events, schools focus on the value Catholic education provides to young people and its contributions to our church, our communities and our nation.

SHOUT OUT

- A Huge shout out to our Middle School Girl Scout troop 4477 took on their Silver Award Project. Their project consisted of raising funds (\$1800.00 through grants, donations from local businesses and their cookie sales) to supply Cathedral's school science lab with much needed equipment of a fire blanket, chemical storage case and a eye wash/shower. This will allow more opportunities for the students to do more in up coming years in the lab. This was almost a year long process for these girls.

Kwik trips-Milk Moola milk caps has come to an end

Over the last several months Kwik trip has been assessing the impact of this fundraising program. In doing so, they discovered that the cost to administer the program has outweighed the dollars Kwik Trip directly funded to help the participants. Because of this, they have made the decision to end the Milk Moola program and reallocate our efforts and donations in a different direction – in order to more effectively serve our communities.

CHASA will be collecting Milk Moola Thru March 22nd and turning them in for one last time.

Registration time is only a few weeks away Learn how to make tuition more affordable Check out the Scrip Program!!

What is Scrip and how does it help the school? Cathedral School purchases gift certificates and gift cards at a discount from available vendors and then we sell them to you at face value. You then use them just like cash at your favorite store and Cathedral keeps the difference!

How can Scrip benefit you? For each Scrip order you place, 50% of the profit from that order will go towards your next year's tuition. You can maximize your tuition credit by recruiting family and friends and asking them to put your family's name in the tuition credit area of the order form. Standing Orders can also help you maximize your tuition credit.

Feel free to check out the Great Lakes Scrip Center website at www.glscrip.com to see all the other merchants if you find yourself traveling or looking for gifts!

Please email the scrip committee at scrip@superiorcathedralschool.org for more information or to place an order.
