

2nd Grade

Cathedral School

Mrs. Amy Hockenbrock

This is such an exciting year! Now that we have learned the fundamentals of reading, writing, and arithmetic, we can put all of that to work. Our reading soars this year, which opens up a whole new world of adventures. We brush up on our math facts, learn how to add and subtract double digit numbers, tell time, and count money. We also write all kinds of stories and letters to our pen pals.

Special Events

For 2nd Graders

- 1st Reconciliation
- 1st Communion
- Mystery Reader
- Poetry Cafe
- Food Drive

Sacramental Preparation: It is a big year in preparing for two sacraments. Second graders have the opportunity to receive the sacraments of Reconciliation and Eucharist. We grow deeper in our faith and knowledge of Jesus.

Mystery Reader: Each Friday, we try to crack the clues of who the mystery reader will be. Parents, grandparents, aunts, uncles, etc. are invited to read to the second graders. Won't you give it a try?

Poetry Cafe: Throughout the year, second graders are learning new poetry. As a culminating activity, the children have a special celebration where they recite various poems that they have learned throughout the year.

Food Drive: Load up your wagons! The second graders learn how we can share our love with others in the community by doing an annual food drive. With the help of the entire student body, we collect non perishable food and deliver it by the wagon full to a local food shelf.
