

# 5th Grade

## Cathedral School

"Tell me and I forget, Teach me and I may remember, Involve me and I learn"

### Mrs. Amber Nielsen

#### Welcome

Fifth grade is an exciting time. It is a student's last year as an elementary student before making the huge step into the middle school world.

Throughout fifth grade we prepare for this transition. Expectations grow as the year continues so that I know you are prepared to move on. I will teach you many different techniques and ways to succeed during your last year of elementary school, but also for your first year of middle school.

Fifth grade is filled with many fun activities and unique chances to grow, learn, and get involved! Keep reading to find out more!

St. Paul Field Trip ~ Science Museum of MN

#### Crossing Guards

Fifth grade is in charge of crossing guards in the morning and afternoon. Students who sign up for this are trained by Officer McKinnon and, if their job is done well, have a chance to have their name put in a drawing to go to WI Dells the third weekend in May with other

#### Service Learning

I believe that it is very important for students to connect learning from the classroom with the community they live in. Many times throughout the year we will do projects / take trips to help out in the community

#### Merry Market

This is a business owned by the fifth graders. You will pitch, purchase items, create, and sell what you create at the Christmas Concert. With the profit made, we take a trip to St. Paul to visit the Science Museum of MN and the St. Paul's Cathedral during the month of May.

Planning for this begins in November.

#### Special Events For 5th Graders

- Merry Market
- Crossing Guard Duty
- Track-O-Rama
- St. Paul Field Trip
- UMD Planetarium
- Waste Water Treatment Plant
- Skiing
- KBJR Weather Station
- Richard Bong Center
- YMCA or Bowling (end of year trip)

#### Kindergarten Buddies

Throughout the year the fifth graders pair up with the Kindergartener's to read books and do projects. This is a fun experience for all!
