

Art

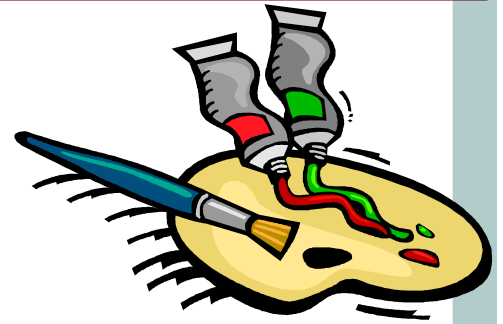

Cathedral School

Mrs. Carrie Conley

Art has been my life-long obsession and I am excited to share my passion with Cathedral's budding artists! We will learn self-expression through cutting, gluing, drawing, painting, sculpting, and weaving as well as creating a variety of artwork for our community.

We are fortunate to have a classroom dedicated to the arts. Our Art room is equipped with both a wheel and a Kiln to aid in the production of a large variety of ceramic projects.

All elementary students receive art instruction twice weekly. Also, our Middle School students have the option of

Special Events

For Art Displays

- Display case in the Main Office
- Christmas Concert
- Spring Concert
- Lumen Christi Award Dinner

Ceramics class

This class is all about clay... Be the artist! Design and create a unique piece of art work.

Sculpture class

Students will need to think outside the box to create sculpture that is both awesome and unique. We will explore Art using mixed media and recycled objects.

Painting

In this class the students will explore various painting techniques. After exploring techniques and planning their pieces students will complete their final project with acrylics and canvas or watercolors.

Drawing

Paper, drawing, pencils and more..... What can you create with various textures of paper and an assortment of charcoal, pens, colored and watercolor pencils?

Weaving

IS
AWESOME!
