

PANTHER PRIDE

NOVEMBER 2019

CATHEDRAL SCHOOL SUPERIOR, WI

OUR CATHEDRAL SCHOOL STARS

Last year we welcomed Mrs. Jaime Samraziya as our new school Principal.

Mrs. Samarziya laid out three goals for the 2018-2019 school year:

- Increase enrollment & strengthen our position in the community
- Continue the use of Google Classroom and move to 1:1 technology
- Utilize the School Safety Grant to update the safety & security of the building

We are happy to report the progress we have made in each of the areas.

- Enrollment has increased this year. While we will be graduating a small 8th grade class this year, our major growth areas have been the younger classes, including the Pre-School 3 and 4 year old classes.
- Chromebooks in Middle School allow for 1:1 technology and increased use of Google Classroom to help students prepare for our modern world.
- Through the DPI School Safety Grant we were able to:
 - Attend Adolescent Mental Health and School Threat Assessment Courses
 - Install new security cameras at all entrances
 - Implement handheld radios for all staff members which improves communication throughout the campus.

We are proud of our Middle School students this year—97% of whom are on the First Quarter Honor Roll.

TEN RENOVATED CLASSROOMS

Through the generosity of Cathedral School alumni, we were able to renovate four classrooms this summer! In addition, we decided to make the move to abate the flooring before beginning the project. While this was not required, we felt that this gave a better surface for the new flooring and was a good long term investment for our school.

We finished off the elementary floor with our Third Grade and tutoring classrooms. On the Middle School floor we were able to renovate both the Social Studies classroom and the Language Arts classroom. These classrooms will be dedicated to the memories of Steve Bachand and Dan Conway, two coaches that through their lived example, inspired Cathedral School students. The Dan Conway classroom will have a display case of his medals and memorabilia.

The updated classrooms are bright with updated energy efficient lighting, new ceiling tiles, new flooring and a fresh coat of paint.

Our goal is to work on the Middle School floor next summer with 6 more classrooms! We would love to show you the new classrooms! Please call or stop by the school and ask for a tour.

COSTS PER CLASSROOM

The Interior Renewal Project will address each of the classrooms and offices. They will be equipped with energy efficient lighting, new teaching surfaces and technology, reface the cupboards, install new flooring, doors, and paint.

Costs per Classroom

| | |
|-----------------------------------|-----------------|
| Ceiling | \$2,600 |
| Electrical | \$3,700 |
| Flooring Abatement | \$3,000 |
| Classroom commercial floor tile | \$3,400 |
| Cabinets, Carpentry & Countertops | \$8,000 |
| Commercial sink & plumbing | \$500 |
| Doors and all hardware | \$3,000 |
| Paint | \$1,000 |
| Marker board & Corkboard | \$800 |
| Total | \$26,000 |

Ten classrooms have already been updated thanks to support from Cathedral School alumni!

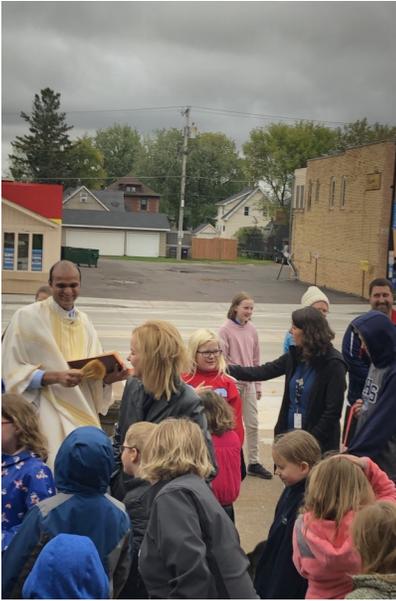

Dear Supporters of Cathedral School,
 Thank you for making possible the updating of the 3rd Grade classroom. It is like teaching in a new classroom. The students also enjoy their updated surroundings. What a blessing this is for our Cathedral School family!!
 God Bless You,
 Mrs. April Campbell

If you would like to help make this project possible, you can do so by sending your gift to:

MEMORABLE MOMENTS

Our education doesn't only happen within the walls of Cathedral School. We take every opportunity we can to step outside of the classroom and work with our community partners to facilitate learning opportunities. We thank our parish priests, the Superior Fire Department and the Superior Police Department for their partnerships with the school.

CONSIDER INCLUDING CATHEDRAL SCHOOL IN YOUR ESTATE PLANS

A gift to Cathedral School can have a lasting impact on the future of Catholic Education in Superior.

You can give through:

- A portion of your estate
- Your retirement plan
- Designating Cathedral School as your Insurance Beneficiary

A bequest to Cathedral School through your will or trust is a powerful expression of your commitment to your Catholic Faith. A planned gift is often the largest gift you will make in your lifetime and is a lasting reminder of what you feel most strongly about.

We can make suggestions on ways to make a gift to Cathedral School, but we urge you to see your attorney, accountant, a trust officer, financial planner, or others who are qualified to help in the area of estate planning and tax consequences.

WAYS THAT YOU CAN HELP YOUR SCHOOL

- Pray for us!
- Contribute to the Annual Appeal each November
- Dedicate a gift in memory of a loved one
- Include Cathedral School in your estate plans
- Adopt a classroom or part of a classroom for our School Interior Renewal Project
- Attend school events such as the Dinner Auction, In Vino Veritas and the Lumen Christi Awards

Second Grade students took their little red wagons filled with non perishable food items to the food shelf this fall.

STUDENTS HELP PUT IN SCHOOL GARDEN

It was a true community effort as students, parents and Cathedral of Christ the King parishioners helped put in 3 raised garden beds for the school this fall. Students from Second Grade up through Middle School helped shovel dirt into the beds, trimmed bushes, and filled in low spots in the Cathedral lawn with dirt. The adults pushed the wheelbarrows and shoveled dirt or supervised the younger students. Despite the weather being rather blustery, the students worked hard to complete the project.

The gardens will be used and maintained by the students during classtime to teach students about health, nutrition, and nature. This a fun way to introduce students (and community members) to new vegetables.

The garden project was part of a Disney Family Volunteering Project through All for Good. In return for creating the garden project, Cathedral School received Disneyland Tickets which were auctioned at the 2019 Wish Upon a Star Dinner Auction.

CHROMEBOOKS IN MIDDLE SCHOOL

Our Middle School students are enjoying the use of new Chromebooks purchased with the help of our Cathedral Home and School Association. The Chromebooks are used during specified class periods and are stored in a special charging cart when not in use. Students use Google Classroom for many of their assignments. Enhancing our technology at the Middle School level prepares the students for high school and beyond.

If you know of someone who does not get our mailings, please let us know either by email or phone. We love to keep in touch with our alumni!
