### Illness

- If your child is vomiting, they need to remain at home. They can return 24 hours after vomiting has stopped.
- If your child has a fever they can not return till fever free for 24 hours without the use of medication.
- Please do not send your child to school if you have given medication due to not feeling well in the morning.

## **Pancake Breakfast**

As some of you may know, one of the exciting experiences that our middle school students get to take part in is a trip to Wolf Ridge Environmental Learning Center each fall as a middle schooler.

To help lower the cost for students next year, the Catholic Schools Week Pancake Breakfast donations will be used towards the trip.

To make this event a success we are asking for middle school students and families to help out either by making posters, placemats or helping the day of the event. We have options for students and adults at the pancake breakfast. Please use the sign up genius link below. Each shift is 2 hours in length.

Please invite your friends and family to come and enjoy this tasty event!
