Student Illness

When your child is out sick, please call the office before 8am @ 715-392-2976. Do not email the office as we do not always get the emails.

If your child is vomiting, they need to remain at home. They can return 24 hours after vomiting has stopped.

If your child has a fever, they cannot return till fever free for 24

hours without the use of medication.

Please do not send your child to school if you have been given medication due to not feeling well in the morning.

Colder Weather

Weather is turning colder. Please make sure your child(ren) have a heavier sweatshirt or a jacket for recess. Once snow starts students will need to have a winter jacket, snow pants, boots, winter hat and mittens to play outside.
