PANTHER PRIDE

CATHEDRAL SCHOOL, SUPERIOR WI
NOVEMBER 2024

2024 SCHOLARSHIPS

We are proud to announce that 100% of the students that graduated from 8th Grade in 2020 received post secondary school scholarships in the spring of 2024!

This class was the class that ended their 8th Grade year virtually and began their High School career in person 2 days a week.

MAPS TESTING

As we continue to strive for excellence in education, it's important to highlight the role of MAP (Measures of Academic Progress) testing in our school. This innovative assessment tool allows teachers to pinpoint individual strengths and areas needing improvement, ensuring that instruction is tailored to each student's needs. MAP testing helps identify learning gaps early,

MAP testing is a powerful tool that enhances educational outcomes and supports our commitment to student success.

% of Students At or Above the National Average:

Reading	79%
Math	76%
Science	84%

- PreSchool Christmas Concert: Dec 20 at 10am in School Gym
- Elementary Christmas Concert: Dec 20 at 1pm in School Gym
- Pancake Breakfast: Kick off Catholic Schools Week with pancakes and sausage. Jan 26 8:30am-12 noon

ANABRING GYMNASIUM UPDATE

Thanks to your generous gifts we were able to give the Annabring Gymnasium a much needed update.

We replaced the old caged lights with energy-efficient LED lighting

We gave the gymnasium a fresh coat of paint

We are currently adding artwork to commemorate the decades and the vibrant history of Cathedral School

All of this has brightened up the gymnasium! Our girls volleyball team has loved getting to use the refreshed gymnasium!

There is still work yet to be done!

Our next steps will be to continue to enhance this beloved space, including plans for refreshing the gymnasium floor, installing new doors, and updating the tile wall along the north side. This is all work that will need to be scheduled around the school calendar and as money allows.

OUTDOOR EDUCATION

Northern Wisconsin has been blessed with wonderful Fall weather, and our students have enjoyed getting outdoors to learn. We often see afternoon classes being taught on the lawn and physical education classes running laps around the campus.

Our Middle School students enjoyed their annual 2 night trip to Wolf Ridge Environmental Learning Center. Students spent time outside experiencing the High Ropes Course, learning about the Voyageur history of our area, and our natural resources.

Our Kindergarten, First and Second Grade had a wonderful day at the School Forest. Students participated in grade appropriate activities such as an I Spy trail, differentiating leaves and the differences between leaves and needles, how chlorophyll changes the leaves color, how birds manipulate their food to eat, and so much more! We love seeing these smiles on our students faces as they are learning!

First Grade is collecting pop tabs for the Ronald McDonald House

Hallow

One of the exciting new initiatives we have launched is a school partnership with the app Hallow. The Hallow for Schools program helps schools with their SEL initiatives, strengthening Catholic identity, familial engagement in the faith life of the school community, and so much more!

Teachers are able to access lesson plans, classroom prayers, engaging information about the saints, and access mental health content. Hallow is authentically Catholic and passionately supports Catholic educators in the incredibly important work that they do forming our youth and young adults.

ROSIE'S EDUCATIONAL SCHOLARSHIP

A new scholarship has been established and will be awarded yearly to help offset the costs of tuition for a family that is experiencing financial, exceptional health care costs, and/or academic needs. Preference is given to a St. Francis Xavier family.

Determination of the scholarship is done yearly by the Rector and Cathedral School Principal. A recommendation from the pastor of St. Francis Xavier is weighted heavily in this determination.

PreSchool enjoys a day outside learning about bubbles

WAYS THAT YOU CAN HELP YOUR SCHOOL

- Pray for us!
- Contribute to the Annual Appeal each November
- Dedicate a gift in memory of a loved one
- Include Cathedral School in your estate plans
- Adopt the Annabring Gymnasium
- Follow us on Facebook and Instagram @superiorcathedralschool

School Rosary on the playground

A gift to Cathedral School can have a lasting impact on the future of Catholic Education in Superior.

You can give through:

- A portion of your estate
- Your retirement plan
- Designating Cathedral School as your Insurance Beneficiary

A bequest to Cathedral School through your will or trust is a powerful expression of your commitment to your Catholic Faith. A planned gift is often the largest gift you will make in your lifetime and is a lasting reminder of what you feel most strongly about.

We can make suggestions on ways to make a gift to Cathedral School, but we urge you to see your attorney, accountant, a trust officer, financial planner, or others who are qualified to help in the area of estate planning and tax consequences.

If you know of someone who does not get our mailings, please let us know either by email or phone. We love to keep in touch with our alumni!
